

ECR Soccer Competition and BBQ

(NC-Fußballturnier)

25th August 2017

When: 11:00 - 17:00

Where: at the soccer field behind GB.

Drinks and BBQ will be available during and after the tournament.

The competition will be part of our annual **Early Career Researcher** Summer Party of the cluster of excellence **RESOLV**.

All scientific and nonscientific groups within RESOLV and/or the Department of Chemistry and Biochemistry are cordially invited to participate.

Games will be played on the half field. A team consists of five field players and a goalkeeper. The mode of the tournament will be announced at short notice before the start. It depends on the number of participating teams.

Important note: Neither shoes with cleats nor hybrid -cleat shoes are allowed!
All shoes worn on the field must have more than eight plastic cleats.

Please register until 18th August 2017

by sending a name of your team and a responsible to michael.senske@rub.de
